# MVB

MVB is an affiliate of Börsenverein des Deutschen Buchhandels e. V., which represents the interests of 6,000 members of Producing and distributing book industry companies.

MVB provides Publishing products and Services to support the Book marketing and helps to orientate on the Book market.

## Our role at linked heritage

### ONIX

We've got a wide-range experience in ONIX from running one of the leading BiP catalogues in Europe since ages.

### Book supply chain

MVB has a lot of book supply chain know-how, resulting from the number of different products along the book supply chain we offer.

### Publisher liaison (DE)

As the subsidiary of the german booksellers and publishers association we are briefly networked with all publishers in Germany

## **Core Products**

**börsen**blatt is the edition strongest professional magazine of German book trade.
